### Speech Recognition Enabled!

The ECTACO Partner EGm800 is a revolutionary, expandable bilingual Dictionary and Travel Audio PhraseBook. With cool modern styling, hi-resolution color touch-display and state-of-the-art linguistic tools it is one of a kind. The massive vocabulary contains over 605,000 words and is one of the biggest around. The inclusion of the most sophisticated and accurate voice facilities available on today's competitive market is the defining feature of this remarkable handheld. It features both state-of-the-art English and German speech recognition and highly advanced English and German voice capabilities powered by the latest TTS (Text-to-Speech) technology. It even goes so far as to include crystal-clear native-speaker voices for both languages in the Audio Travel PhraseBook section as recorded by professionals.

This intelligent linguistic device is literally packed with information and tools to help you master your foreign language skills for either academic endeavors or travel.

### Highlights:

- Color display: the luxury of a hi-res color screen with adjustable color schemes, customizable elements, color-coded parts of speech, samples of use and much more
- Expandable vocabulary: over 605,000 words already included in the general dictionary - the largest vocabulary base ever! Plus you can easily add more than 50 language combinations available as ECTACO MMC Cards!
- Advanced English and German speech synthesis.
- Instant reverse translation
- Superb English and German speech recognition.
- Designed with the real traveler in mind, the Audio PhraseBook is at your disposal on pleasure or business trips. It delivers real human-voice output in English and German for over 14,000 pre-recorded phrases. It also provides the different responses you might receive in the "You May Hear" section.
